MEMORANDUM FOR:				STAT
FROM:	Director of Cen	tral Intelligence	<u>,</u>	
	me have a list o of them in from		top people will	be available
we'd try to get is in Washington work it out.	together for a d n in the near fut	iscussion or a luure. If he calls	uncheon sometime	I agreed when he much to
3. very much to mee	et with him for a		the same thing	and I want

4. I had been thinking tentatively of not going to the next Business Council meeting. I enjoyed this one so much and got enough work done that I'd rather like to plan on it. Let's see if we can work the Far East trip

in before that date.
